TIDY TOWNS

Judging was 17/6/11. Clonaslee received one point extra in the National competition bringing them to 291 and placing them in second position behind Castletown winners. Judges' comments were that Clonaslee is now moving towards the top in the competition and a higher level of scrutiny will be expected and marks harder to secure. The report was good and the committee now have to follow up on what they failed them on. The committee thank the FAS participants, people who looked after their own areas, those who painted when asked and cooperated in any way with the committee. Without this help, they could not achieve what they have to date. So thank you to the community of Clonaslee. They were thrilled at local level bringing home the cup to the village, it was a great achievement. Thanks to our young people who helped and we welcome more for next year.
