in this small housing estate. 1 Yop container and orange peel on kerb line at time of judging. 19/20. Church car park: Grounds in immaculate condition and completely litter free. Shubbery area nicely maintained. 20/20. Overall effort and presentation: Great achievement for a large volume of passing traffic. 20/20. Overall judges' comments: This village is looking very well. At time judging it was a hive of activity with painting, sweeping and planting tasks being carried out. Whilst judges under took certain areas for judging, Clodiagh Way phase 2 needs to receive attention as quite a bit of litter in the estate. Residents need to get on board, we encourage everyone to help with regular litter picks. Well done to the business community who are leading the way, demonstrating good litter management practices. Clonaslee have now gone through to the final against Timahoe. Please make it happen for everyone. Final judging takes place between June 16 – 27. Sincere thanks to everyone for making this happen, special thanks to Pat Fenlon for doing Trojan work and to all the FAS participants. Remember it's your village, be proud of it.
